**ALTERNATIVES:**

**Current:** "C-3" districts are designed to provide for more intensive commercial uses than those located within the "NC," "C-1," "C-2" or "C-3" zoning districts. "C-3" uses are typically characterized as community and regional shopping centers, power centers and/or assembly of similar uses into a single complex under either single ownership or the structure of a property owners or condominium styled organization. "C-3" districts should incorporate shared internal circulation and limited curb cuts to arterial streets. C-3R districts are identical to C-3 districts except that the sale of alcoholic beverages for on-premises consumption is prohibited.

**Proposed:** "C-3" districts are designed to provide for more intensive commercial uses than those located within the "NC," "C-1," "C-2" or "C-3" zoning districts. "C-3" uses are typically characterized as community and regional shopping centers, power centers and/or assembly of similar uses into a single complex under either single ownership or the structure of a property owners or condominium styled organization. **RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Denial. Zoning Commission (8-0) recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the Nogalitos/South Zarzamora Community Plan and is currently designated as “Neighborhood Commercial” in the future land use component of the plan. The applicant is requesting a Plan Amendment from “Neighborhood Commercial” to “Regional Commercial” to accommodate the proposed rezoning. Staff and Planning Commission recommend Denial.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The request allows the intense “C-3” Commercial in close proximity to single family residential. As a basic planning principal, “C-3” is not intended to abut residential zones and uses.

**3. Suitability as Presently Zoned:**

The current “C-3R” is consistent with the surrounding properties to the north and south of the subject property. It is not consistent with the future land use designation nor the neighboring “R-5”. The requested “C-3” would be inconsistent with the surrounding properties and the future land use designation of “Neighborhood Commercial.”

The applicant is requesting to remove the “R” from the current “C-3R”, allowing the sale of alcohol for on-premise consumption.

**4. Health, Safety and Welfare:**

Staff has found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed Plan Amendment appears to conflict with the following Goals and Principles of the Nogalitos South /Zarzamora Community Plan:

3.1.4 Identify what types of businesses are needed and not present. Assess what goods and services are needed/wanted by the community.

- Conduct a community survey to determine what businesses the community desires and will support. (coffee shop, bookstore, print shop, hotel)
- Discourage any additional of auto related businesses, bargain stores and flea markets in the area. Ensure that bars are appropriately located.
- Encourage a mix of various sized stores, shops, businesses and facilities that provide all needed goods, services and entertainment (large retailers, department stores, specialty stores, small “mom and pop” businesses, computer/ technology stores, coffee shops, book stores, movies, upscale restaurants, mid-priced hotels, exercise facilities).

**6. Size of Tract:**

The subject property is 0.351 acres, which could reasonably accommodate a commercial development.

**7. Other Factors:**

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.
