RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Planning Commission (8-0) recommend Approval.

The proposed “Community Commercial” land use designation is fitting for this property, being that it lies

between “Business Park” and “Neighborhood Commercial.” The San Antonio International Vicinity Land Use Plan calls for enhancing air front commercial and business park property that is currently vacant or underutilized as well as the continuation of development of Wurzbach Parkway as a major east-west connector. This request fulfills both of these goals and is appropriate for this property and the surrounding area.

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the San Antonio International Vicinity Land Use Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
