Current: The “O-2” High Rise Office District provides for the establishment of low to high-rise office buildings. Examples of permitted uses: art galleries, fitness recreation centers, parks, and schools. Outdoor display or sale of merchandise is prohibited.

Proposed: “C-2” Commercial Districts accommodate community commercial uses, with unlimited building size, and building height limitation of 25 feet. Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. No outdoor storage or display of goods shall be permitted except for outdoor dining.

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The property is not part of a regional center, but it is within a premium transit corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (11-0) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the North Sector Plan and is currently designated as “Suburban Tier” in the future land use component of the plan. The requested “C-2” base zoning district is consistent with the future land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The request constitutes a downzoning from “O-2” High-Rise Office District. The requested “C-2” Commercial District is an appropriate buffer between the existing “C-3” General Commercial to the west and the “R-6” Residential Single-Family to the east. The proposed “C-2” Commercial District is also consistent with the “C-2” Commercial zoning to the north of the subject property.

3. Suitability as Presently Zoned:

The current “O-2” High-Rise Office District is not an appropriate zoning for this site as it allows a high rise office tower of unlimited building height. The requested “C-2” Commercial District would be a more suitable zoning for the property and the surrounding area.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

Economic Development

ED 1.3: Continue to maintain and revitalize the North Sector to retain and expand vibrant retail and commercial uses within the IH-10, IH-35, Loop 410 and Loop 1604 corridors and/or centers

ED 1.4: Work cooperatively with other incorporated and adjacent cities and counties, and other local and regional economic development entities to retain, expand, and improve the North Sector economic base

6. Size of Tract:

The subject property is .3872 acres, which could reasonably accommodate commercial uses.

7. Other Factors:

The applicant currently owns and operates a dentist and optical office on the property and plans to add a daycare facility. All of the proposed uses are allowed in the proposed “C-2” Commercial District. The use “Day Care Facility” requires a Specific Use Authorization in the “O-2” Office High Rise District. The rezoning to “C-2” Commercial District provides a consistent zoning designation for all of the existing and proposed on site uses.
