Overlay and Special District Information

"AHOD"

All surrounding properties carry the "AHOD" Airport Hazard Overlay District, due to their proximity to an airport or approach path. The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

Transportation

Thoroughfare: Bandera Road

Existing Character: Primary Arterial Type A

Proposed Changes: None Known

Public Transit: There are no VIA bus routes within walking distance of the subject property.

Routes Served: None

Traffic Impact: A Traffic Impact Analysis (TIA) is not required. The traffic generated by the proposed development does not exceed the threshold requirements.

Parking Information: The parking requirement for Auto Paint and Body is 1 parking spot per 500 sf GFA including service bays, wash tunnels and retail areas.

ISSUE:

None.

ALTERNATIVES:

Current: The present zoning designation of “I-1” General Industrial District accommodates areas of heavy and concentrated fabrication and manufacturing and industrial uses which are suitable based on the character of adjacent development. Examples of permitted uses: auto & light truck auction, truck stop, abrasives manufacturing, food & drug manufacturing, sand & gravel storage & sales, outdoor flea market, manufactured homes/oversized vehicles sales, service and storage.

Proposed: The “C-3” General Commercial districts are designed to provide for more intensive commercial uses than those located within the "NC," "C-1," "C-2" or "C-3" zoning districts. "C-3" uses are typically characterized as community and regional shopping centers, power centers and/or assembly of similar uses into a single complex under either single ownership or the structure of a property owners or condominium styled organization. "C-3" districts should incorporate shared internal circulation and limited curb cuts to arterial streets.

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The subject property is not within a regional center and is within a Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval. Zoning Commission recommendation is pending the June 16, 2020 hearing.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the West/Southwest Sector Plan and is currently designated as “General Urban Tier” in the future land use component of the plan. The requested “C-3” base zoning district is not consistent with the future land use designation. The applicant is requesting a plan amendment to “Regional Center”. Staff recommends approval. Planning Commission recommendation is pending the June 10, 2020 hearing.

2. Adverse Impacts on Neighboring Lands:

Staff has not found evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. Properties to the north and south are zoned “C-3” General Commercial.

3. Suitability as Presently Zoned:

The existing “I-1” General Industrial base zoning is not appropriate for this area. The proposed “C-3” General Commercial is suitable to the area and along the Loop 410 West.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the West/Southwest Sector Plan:

Goal ED-3: The West/Southwest Sector community values existing and future businesses; businesses which in turn support the neighborhoods

Strategies:

- ED-3.1 Ensure the development of new business locations and employment centers are compatible with the West/Southwest Sector Land Use Plan
- ED-3.2 Explore creating new tax increment reinvestment zones (TIRZ) adjacent to existing employment centers within Loop 410 in the Sector
- ED-3.3 Foster partnerships with businesses to promote the beautification and clean-up of existing neighborhoods, utilizing programs offered by, but not limited to, Keep San Antonio Beautiful and City of San Antonio Solid Waste Department
- ED-3.4 Continue to utilize/increase code enforcement and other programs to address crime and graffiti

6. Size of Tract:

The subject property is 3.326 acres, which could reasonably accommodate general commercial uses.

7. Other Factors:

Cavender owns several properties in the area, this is an expansion of the dealership’s commercial services.
