**ISSUE:**

None.

**ALTERNATIVES:**

**Current:** The current zoning district designation of "C-3" are intended to provide for more intensive commercial uses than those located within the NC, C-1 or C-2 zoning districts. C-3 uses are typically characterized as regional shopping centers, power centers, and/or assembly of similar uses into a single complex. There are no building size limitations, and building height is limited to 35 feet. Examples of permitted uses: bar/tavern & nightclub, amusement/theme parks, dance hall, indoor movie theater, auto repair, auto sales, auto glass sales (installation permitted), auto muffler (sales and installation only), hotel, bookbinder, dry cleaning or laundry plant, indoor flea market, home improvement center, body piercing / massage/tattoo parlor. No outdoor storage is permitted. Outdoor operations and display shall be permitted in areas which are screened as provided in 35-510 of the Unified Development Code.

The current zoning district designation of "I-1" accommodates areas of heavy and concentrated fabrication and manufacturing and industrial uses which are suitable based on the character of adjacent development. Examples of permitted uses: auto & light truck auction, truck stop, abrasives manufacturing, food & drug manufacturing, sand & gravel storage & sales, outdoor flea market, manufactured homes/oversized vehicles sales, service and storage.

**Proposed:** The proposed zoning district designation of "C-2" accommodate community commercial uses, with unlimited building size, and building height limitation of 25 feet. Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. No outdoor storage or display of goods shall be permitted, except for outdoor dining.

**FISCAL IMPACT:**

None.

**PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The property is within a Regional Center and is not within a premium transit corridor.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval, pending Plan Amendment.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval

criteria below.

**1. Consistency:**

The subject property is located within the San Antonio International Airport Vicinity Land Use Plan and is currently designated as “Parks and Open Space” in the land use component of the plan. The requested “C-2” base zoning district is not consistent with the future land use designation. The applicant requested a Plan Amendment to change the future land use to “Community Commercial.” Staff and Planning Commission recommend Approval.

**2. Adverse Impacts on Neighboring Lands:**

Staff has not found evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area. In general, “C-2” Commercial District is a less intense retail and service oriented zoning district.

**3. Suitability as Presently Zoned:**

The existing “C-3” and “I-1” base zoning districts are appropriate for the surrounding area. The requested “C-2” base zoning district is a more appropriate zoning for the property and the surrounding area, allowing less intensive commercial uses than those permitted in the current “C-3 and “I-1” base zoning districts.

**4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective of the San Antonio International Airport Vicinity Land Use Plan, which encourages the following:

**Objective 2.1:** Upgrade and enhance airfront commercial and business park property that is declined, is currently vacant, or is underutilized

**Objective 2.3:** Redevelop major commercial corridors to serve the needs of the airport neighborhoods and patrons.

**Objective 4.4:** Support commercial redevelopment through comprehensive rezoning and incentive zoning

**6. Size of Tract:**

The 1.812 acre site is of sufficient size to accommodate the proposed commercial development.

**7. Other Factors:**

The applicant is requesting to rezone for a Professional Office.
