“MC-3”

The “MC-3” Austin Highway/Harry Wurzbach Metropolitan Corridor provides site and building design standards for properties located along the two corridors. Metropolitan Corridors follow arterial streets or

Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. Examples of permitted uses: bar/tavern & nightclub, amusement/theme parks, dance hall, indoor movie theater, auto repair, auto sales, auto glass sales (installation permitted), auto muffler (sales and installation only), hotel, bookbinder, dry cleaning or laundry plant, indoor flea market, home improvement center, body piercing/massage/tattoo parlor. ### **RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the San Antonio International Airport Vicinity Plan and is designated as “Business Park” in the future land use plan. The requested “C-3” is consistent with the current land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The requested “C-3 is appropriate along the major Austin Highway corridor and in proximity to I-410 and I-35.

**3. Suitability as Presently Zoned:**

The current “C-2” Commercial is an appropriate zoning for the property. The proposed “C-3” would also be appropriate for the site or surrounding area.

**4. Health, Safety and Welfare:**

Staff has found not indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the San Antonio International Airport Vicinity Plan:

Land Use Plan Theme:

7) Encouraging compatible commercial uses along corridors that serve the neighborhoods and more intense commercial uses at major intersection nodes

Objective 2.2 Encourage commercial development that respects the integrity of existing residential development

**6. Size of Tract:**

The subject property is 0.4941 acres, which could reasonably accommodate commercial uses.

**7. Other Factors:**

The applicant intends to have an office facility with an office/flex space.
