**Type:** Staff Briefing - Without Ordinance

**In control:** Planning Commission

**On agenda:** 1/27/2021

**Title:** FPV #21-002 FPDP #2021142 - Culebra Creek Channel Improvements Capital Project: Request by City of San Antonio Public Works Department's Project Delivery Division for approval of a variance request associated with a Floodplain Development Permit (FPDP) #2021142 for channel improvements along a segment of Culebra Creek that will provide 100-year flood reduction benefits for a number of adjacent properties. The engineering analyses show slight water surface elevation rises downstream of the project limits. Staff recommends Approval. [Sabrina Santiago, Interim Storm Water Engineering Manager, (210) 207-0182, [sabrina.santiago@sanantonio.gov](mailto:sabrina.santiago@sanantonio.gov), PWD Department]
