RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the Monte Vista Neighborhood Plan which is not a land use consistency plan, however, it may be used as a guide in evaluating rezoning. As such, the requested "MF-18" base zoning district is consistent with the overall goals of the plan to align the zoning with current use.

2. Adverse Impacts on Neighboring Lands:

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change

request. The surrounding properties are zoned “MF-33”, “C-2”, “R-4” and “R-4 CD.”

3. Suitability as Presently Zoned:

The current zoning resulted from a zoning conversion with the adoption of the 2001 Unified Development Code. The current “MF-33” zoning is appropriate for the property and surrounding area. It exists to the north and south of the subject site. The proposed “MF-18” is also appropriate for the area and will accommodate the existing five (5) dwelling units.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed rezoning does not appear to conflict with the Monte Vista Neighborhood Plan.

6. Size of Tract:

The subject property is 0.3614 acres, which can accommodate the existing multifamily use.

7. Other Factors:

This rezoning request is a result of a City Council Resolution initiated by Council District 1 on November 9, 2017. Action on December 3, 2020 by City Council to rezone the Monte Vista South area as part of a large area rezoning also resulted in 4 properties to be reviewed, including this one.
