Additionally, funds in the amount of \$300,000.00 are available from the 2017 Bond Martin Luther King Park project for a total of \$3,300,000.00 for the Wheatley Heights Sports Complex project. The additional funds will be used towards the project's site work and landscaping.

The new 5,140 square foot event hall structure will consist of an event space, office, restrooms and support spaces. The new 3,220 square foot fieldhouse structure will consist of two locker rooms, restroom, shower facilities and support spaces.

Construction is anticipated to begin in March 2021 and is estimated to be completed by June 2022.

Procurement of Services

A Request for Competitive Sealed Proposals (RFCSP) was released on June 17, 2020, in the San Antonio Hart Beat, on the City's website, on the Texas Electronic State Business Daily, on TVSA, and through the electronic bidding site CivCast. A selection committee consisting of City of San Antonio representatives from the Public Works Department (PWD) and Parks and Recreation Department, and outside representation from the Eastside Christian Action Group and American Institute of Architects (AIA), evaluated and scored the remaining eight (8) submissions. Scoring was based on the published evaluation criteria, which included Experience, Background and Qualifications of Firm, Key Personnel and Sub-Consultants; Understanding of the Project and Proposed Construction Management Plan; Experience with San Antonio Region Issues and Past Experience with the City of San Antonio; Price Proposal and SBEDA Program.

This contract will be awarded in compliance with the Small Business Economic Development Advocacy (SBEDA) Program, which requires contracts to be reviewed by a Goal Setting Committee to establish a requirement and/or incentive unique to the particular contract to maximize the amount of small, minority, and women-owned business participation on the contract.
