The City Council also will be presented with the City's Five-Year Financial Forecast covering Fiscal Year 2022 through Fiscal Year 2026. ### **BACKGROUND INFORMATION:**

**FY 2021 Six Plus Six Financial Report (2<sup>nd</sup> Quarter Actuals with Annualized Projections) and FY 2021 Mid-Year Budget Adjustment Recommendations.**

On September 17, 2020, the City Council approved the FY 2021 Operating and Capital Budget. As part of the City's financial management practices, the City Council will be provided an update on the City's FY 2021 Budget. The FY 2021 Six Plus Six Financial Report will focus on the financial and operational performance through the Second Quarter (October through March) of the fiscal year and will provide projections for the remaining six months of the fiscal year (April through September).

Additionally, the FY 2021 Proposed Mid-Year Budget adjustment will be presented to the City Council. This adjustment recommends adjustments based on revenue and expense actual activity seen in the first six months of the fiscal year along with revenue and expense projections for the remainder of the fiscal year. The recommended FY 2021 Mid-year Budget Adjustment Ordinance will be considered during the May 20 City Council "A" Session.

### **FY 2022 to FY 2026 Five-Year Financial Forecast.**

The Five-Year Financial Forecast provides a current and long-range financial assessment addressing revenues, City services and programs, and financial reserves. The Forecast will focus on the City's General Fund, Development Services Fund, Airport Operating Fund, and the HOT Related Funds. The Financial Forecast is a projection of revenues and expenses for the next five fiscal years based on a set of assumptions as of May 2021. The Financial Forecast is not a budget. It is intended to provide the City Council and the community with an early financial outlook for the City as the budget development process begins for FY 2022. The Five-Year Forecast will provide the base for the FY 2022 Trial Budget to be presented in June to the City Council and to the public.
