SUBJECT:

Public Hearing for the FY 2022-2026 Consolidated Plan and FY 2022 Action Plan and Budget

SUMMARY:

A public hearing for the FY 2022-2026 Consolidated Plan and FY 2022 Action Plan funded through the City's four U.S. Department of Housing and Urban Development (HUD) entitlement grant programs including the Community Development Block Grant (CDBG), Home Investment Partnerships Program (HOME), Hearth Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS Program (HOPWA).

BACKGROUND INFORMATION:

The City of San Antonio receives four federal entitlement grants awarded through the U.S. Department of Housing and Urban Development. These four grants include CDBG, HOME, ESG and HOPWA. The City anticipates receiving approximately \$110 million in total grant funding to be available for programs through the

four formula grants over the next five years.

As a recipient of federal entitlement funds, HUD requires the City to develop a Consolidated Plan every five years which involves collecting and analyzing local economic data and engaging in an extensive community input process to identify priority needs and related goals to address the needs. In developing the FY 2022-2026 Consolidated Plan, the City gathered information via several methods including a review of available housing market data and census data, local stakeholders engagement sessions, stakeholder survey, two community engagement meetings, and a community needs survey which received over 600 responses. The draft Consolidated Plan was also informed by other city plans and initiatives including the ForEveryoneHome “Anti-Displacement Agenda for San Antonio” and the Housing Policy Framework. This process identified priority needs for the Consolidated Plan.

The City coordinates an annual Action Plan process to identify and implement community development and affordable housing activities to address the goals of the Consolidated Plan. The City is completing both processes concurrently. Both the Consolidated Plan and annual Action Plan are due to HUD by August 16, 2022.

ISSUE:

FY 2022-2026 Consolidated Plan and FY 2022 Action Plan

Based on the preliminary results of the Consolidated Plan process, decent, safe affordable housing remains the number one priority need for low-income families in San Antonio followed by programs and services for special needs populations. The draft priorities will remain substantially the same as those outlined in the FY 2016 - 2021 Consolidated Plan to allow for flexibility and reprioritization of activities, as needed. Following are the draft priorities for the strategic plan.

Priority 1: Provide Decent Safe Affordable Housing

Priority 2: Provide for Special Needs Populations

Priority 3: Provide Housing and Supportive Services for Homeless Population

Priority 4: Provide Neighborhood Revitalization Efforts

Priority 5: Provide Economic Development

FY 2022 Action Plan

The City has a total of \$ 22.4 million in available funds for the FY 2022 Action Plan. The following table provides a summary of the proposed FY 2022 budget across the four grant programs and year over year comparison of entitlements funds.
