None.

**ALTERNATIVES:**

Denial of the requested zoning change would result in the subject property retaining the present zoning district

designation.

**FISCAL IMPACT:**

None.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is not located within a Sector or Future Land Use Plan and is not currently designated for a future land use. Therefore, a finding of consistency is not required. The requested “IDZ” Infill Development base zoning with uses permitted in “R-4” Residential Single-Family District and “C-1” Light Commercial District is consistent with surrounding land uses.

**2. Adverse Impacts on Neighboring Lands:**

Staff has found no evidence of likely adverse impacts on surrounding properties.

**3. Suitability as Presently Zoned:**

The proposed zoning change to “IDZ” will provide support and encourage patterns of development that provide single-family housing choices and allow the applicant to have an art gallery. The IDZ” Infill Development base zoning with uses permitted in “R-4” Residential Single-Family and “C-1” Light Commercial District will promote a sense of community, urban vitality, and efficient provision of infrastructure. The proposed redevelopment will preserve the neighborhood integrity. The proposed zoning change will not have any negative effects on the future development of adjacent properties.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety or welfare.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The subject property is 0.2057 acres in size, which accommodates the proposed development with adequate space for parking.

**7. Other Factors:**

None.
