**1. Consistency:**

The property is located within the Near Northwest Community Plan and is designated as Neighborhood Commercial in the future land use component of the Plan. The requested "C-1" base zoning district is consistent with the adopted land use designation. The applicant requests this zoning change in order to convert the existing commercial development and the associated parking lot into a motor vehicle sales car lot.

**2. Adverse Impacts on Neighboring Lands:**

Staff has found no evidence of likely adverse impacts on neighboring properties. The requested zoning and uses are consistent and compatible with the already-existing surrounding area.

**3. Suitability as Presently Zoned:**

The existing "C-2NA" zoning district is appropriate for the subject property due to its location along a major roadway, its previous commercial history and its close proximity to other existing commercial uses.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The requested rezoning does not appear to be in conflict with any public policy.

**6. Size of Tract:**

The subject property is 0.248 acres in size.

**7. Other Factors:**

None.
