Overlay and Special District Information: The Mahncke Park Neighborhood Overlay District (NCD-6) is an overlay zoning district that contains design guidelines for rehabilitation of existing residential and commercial development. Property owners, together with the Department of Planning and Community Development staff, develop the design guidelines. These guidelines can address building materials, height, size, massing, signage, sidewalk location, etc. A zoning review is performed by the Zoning Section of the Development Services Department.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the Mahncke Park Neighborhood Plan and is currently designated as Urban Single-Family Residential. The requested Conditional Use for a Hair Salon is consistent with the more intense and similar uses surrounding the subject property.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on surrounding properties.

3. Suitability as Presently Zoned:

The proposed rezoning to “R-4” is appropriate for the subject property. The subject property location, next to Burr Road and adjacent to other commercial and multi-family properties, makes it appropriate for the “R-4 CD” Residential Single-Family District with a Conditional Use for a Hair Salon. The development of the subject property contributes toward the Park Neighborhood Plan vision of compatibility and purpose of the plan.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective.

6. Size of Tract:

The subject property is 0.1886 acres in size, which accommodates the proposed development with adequate space for parking.

7. Other Factors:

The conditional zoning procedure is designed to provide for a land use within an area that is not permitted by the established zoning district but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

The following conditions in addition to those in subsection (e)(2) above shall apply to the operation of nonresidential conditional uses permitted within any residential district, unless otherwise approved by the city council.

A. There shall be no exterior display or sign with the exception that a nameplate, not exceeding three (3) square feet in area, may be permitted when attached to the front of the main structure.

B. No construction features shall be permitted which would place the structure out of character with the surrounding residential neighborhood.

C. Business hours of operation for the general public shall not be permitted before 7:00 a.m. or after 6:00 p.m..
