RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval, pending Plan Amendment.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the Greater Dellview Area Community Plan and is currently designated as Neighborhood Commercial. The requested base zoning district of “C-2” is not consistent with the current land use category. The applicant submitted a plan amendment to change the land use classification to Community Commercial. Staff and Planning Commission recommend approval.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

3. Suitability as Presently Zoned:

Both the existing and requested zoning are appropriate for the subject property. Based on existing land uses, the proposed use appears to be compatible with the surrounding land uses and overall character of the area.

4. Health, Safety and Welfare:

Staff has found no evidence of likely negative impacts on public health, safety or welfare related to the zoning request.

5. Public Policy:

The rezoning request meets the Greater Dellview Area Community Plan goal of focusing on human capital and helping to educate, train, and empower the citizens for a brighter economic future.

6. Size of Tract:

The subject property measures approximately 0.551 acres, which is sufficient to accommodate the proposed development with adequate space for parking.

7. Other Factors:

The purpose of the Specific Use Authorization is to provide for certain uses which, because of their unique characteristics or potential impacts on adjacent land uses, are not generally permitted in certain zoning districts as a matter of right, but may under the right set of circumstances and conditions, be acceptable in certain specific locations.

This rezoning request is an extension of the services provided by the Roy Maas Youth Alternatives Center located adjacent to the subject property which was permitted under Ordinance 2010-04-01-0283. The Ordinance rezoned the property “C-3 NA S AHOD” General Commercial Nonalcoholic Sales Airport Hazard

Overlay District with a Specific Use Authorization for a Human Services Campus. A Human Services Campus allows for social assistance, welfare and charitable services to include vocational rehabilitation.
