**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the South Central Community Plan and is currently designated as Regional Commercial in the future land use component of the plan. The requested “C-3” base zoning district is consistent with the current land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff has found no evidence of likely adverse impacts on surrounding properties.

**3. Suitability as Presently Zoned:**

The requested “C-3” district is appropriate for the subject property. The request for “C-3” will not have any negative effects on future development, but rather provide additional businesses to the area. The site location is on a Major Thoroughfare. Finally the property is surrounded by similar commercial uses.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety or welfare.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective.

The subject property is 1.757 acres in size, which accommodates the proposed development with adequate space for parking.

**7. Other Factors:**

None.
