Case Manager: Erica Greene, Planner

Property Owner: Lone Star Brewery Development Inc.

Applicant: Adam Schneider

Representative: Frank Burney

Location: 400 Block of Lonestar Boulevard

Legal Description: Lot 24 and 21.575 acres out of NCB A-17

Total Acreage: 32.012

Notices Mailed

Owners of Property within 200 feet: 10

Registered Neighborhood Associations within 200 feet: Roosevelt Park

Applicable Agencies: None

Property Details

Property History: The subject property was annexed into the City of San Antonio in 1936 and was previously zoned "L" First Manufacturing District and Historic. A 1985 case, Ordinance #61454, zoned the subject property as "I-2 H" Heavy Industrial and Historic District. Upon adoption of the 2001 Unified Development Code, the previous base zoning district converted to the current "I-2 H" Heavy Industrial Historic District. In a 2008 case, the subject property was rezoned to "IDZ" Infill Development Zone with uses permitted in "MF-40" and "C-2" with the following additional uses: bar, beer garden, microbrewery and hotel.

Topography: The property does not include any abnormal physical features such as slope or inclusion in a floodplain.

Adjacent Base Zoning and Land Uses

Direction: North

Current Base Zoning: I-1, I-1

Current Land Uses: Vacant Lot, Lone Star River Operations Center

Direction: West

Current Base Zoning: I-2

Current Land Uses: CMC Recycling Materials Storage

Direction: South

Current Base Zoning: I-1

Current Land Uses: CMC Recycling Materials Storage

Direction: East

Current Base Zoning: UZROW

Current Land Uses: San Antonio River

Overlay and Special District Information: The surrounding properties are located in the Mission Historic District, which was adopted in February 17, 1977. Historic districts do not regulate use of the property, but do enforce building exterior design standards meant to maintain the architectural character or cultural significance of the designated area. Building plans and permit applications will be subject to review by the Office of Historic Preservation and the Historic and Design Review Commission (HDRC) prior to any permits being issued.

All surrounding properties carry the "RIO" River Overlay District, due to their proximity to the San Antonio River. The purpose of these districts is to establish regulations to protect, preserve, and enhance the San Antonio River and its improvements by establishing design standards and guidelines.

Transportation

Thoroughfare: Lone Star Boulevard

Existing Character: Local Street

Proposed Changes: None

Public Transit: VIA bus route #46 is within walking distance of the subject property.

Traffic Impact: A Traffic Impact Analysis (TIA) is not required. Infill Development (IDZ) is exempt from TIA requirements.

Parking Information: The “IDZ” Infill Development Zone District waives off-street vehicle parking requirements.

ISSUE:

None.

ALTERNATIVES:

A denial of the request will result in the subject property retaining the current zoning.

FISCAL IMPACT:

None.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the Lone Star Community Plan, and is currently designated as High Density Mixed Use in the future land use component of the plan. The requested "IDZ" Infill Development base zoning district is consistent with the future land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed project is part of a redevelopment of the former Lone Star Brewery that will revitalize the area north of IH 10 and HWY 90.

3. Suitability as Presently Zoned:

The current “I-2” and “IDZ” base zoning districts are appropriate for the subject property’s location. The requested zoning district of “IDZ” is also appropriate for the subject property’s location.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The rezoning request does not appear to conflict with land use goals and strategies of the Lone Star Community Plan that support redeveloping vacant and underutilized parcels and a mix of uses into new development and redevelopment projects.

6. Size of Tract:

The subject property totals 32.012 acres in size, which should reasonably accommodate the uses proposed.

7. Other Factors:

Infill Development Zone (IDZ) provides flexible standards for developments. IDZ is to encourage and facilitate development on vacant, bypassed lands, or the redevelopment of underutilized buildings or structures, within existing built-up areas. IDZ may be approved as either a base zoning district or an overlay zoning district. Standards required in an IDZ district shall apply to either IDZ base zoning or the IDZ overlay district except where otherwise specifically stated. Typically IDZ gives flexibility to parking requirements, lots sizes, and setbacks.
