## **RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (9-0) recommend Approval

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

### **1. Consistency:**

The subject property is in Lone Star Community Plan. Since the proposal is to add “H” Historic District as an overlay zoning district without proposing to change base zoning districts, a consistency review is not applicable. Staff recommends Approval.

### **2. Adverse Impacts on Neighboring Lands:**

Staff has found no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

### **3. Suitability as Presently Zoned:**

Surrounding lots are developed with residential, commercial, and industrial uses. The proposed zoning request is consistent with the surrounding land uses.

### **4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

### **5. Public Policy:**

The proposed request meets the San Antonio Comprehensive Plan’s goals and objectives of Historic Preservation and Cultural Heritage chapter.

### **6. Size of Tract:**

The subject area is 11.08 acres in size.

### **7. Other Factors:**

#### **Findings of the Office of Historic Preservation:**

- a. An application for historic district designation was received on January 7, 2016. A public informational meeting for potential historic district designation as held on April 6, 2016, for property owners. On January 5, 2017, the staff of the Office of Historic Preservation received 51% in support of the designation. In accordance with the UDC, staff has forwarded the application to the HDRC for review. The proposed historic district meets at least three criteria for historic district designation.
- b. The proposed district is eligible under UDC sec. 35-607(b)(1) with the San Pedro Acequia or Acequia Principal running through the four blocks of the district, roughly parallel to South Flores Street.
- c. The proposed district is eligible under UDC sec.35-607(b)(5), the neighborhood is a dense, intact collection of Victorian Style houses.
- d. The proposed district is eligible under UDC sec. 35-607(b)(7), the modest houses reflect the economic status of trades and craft workers of the early 20th century in direct juxtaposition of the mansions built by the German merchant class across the San Antonio River on King William and Madison streets. It was platted in 1895, the developer made no compensation for the Acequia Principal, placing a grid pattern of lots regardless of the acequia’s location.

- e. The proposed district is eligible under UDC sec. 35-607(9), the neighborhood shares a common history visible in its common architectural style, development pattern within the Lewis plat, and location with dense residential blocks surrounded by commercial corridors along S Flores St, S Alamo St, and S Main Ave.
- f. Historic districts possess cultural and historical value and contribute to the overall quality and character of the City. The City offers a tax incentive for all residential properties occupied by the property owner at the time of the designation. The incentive is a 20% tax exemption on City taxes for 10 years provided the owner remains in the property.
- g. The City also offers a Substantial Rehabilitation tax incentive. After substantial rehabilitation of a historic property, the property owners may choose one of two tax incentives, including having the city property taxes frozen for 10 years at the pre-rehabilitation value, or paying no city property taxes for the first five years, and for the next five years, city property taxes are assessed at the value that is 50% of the post-rehabilitation assessed value.

**Office of Historic Preservation Recommendation:** Approval.

**The Historic Design Commission Action:** The Historic and Design Review Commission concurred that the proposed district meets criteria and is eligible for designation. The commission recommends historic district designation for the Nathan Historic District.
