### **Comprehensive Plan**

**Comprehensive Plan Component:** Northwest Community Plan

**Plan Adoption Date:** June 16, 2011

### **Comprehensive Land Use Categories**

**Land Use Category:** “Low-Density Residential”

**Description of Land Use Category:** Low-Density Residential includes single-family detached houses on individual lots at typical suburban densities. This form of development should be located away from major arterials, and can include certain non-residential uses such as schools, places of worship, and parks that are centrally located for convenient neighborhood access.

**Permitted Zoning Districts:** “R-4”, “R-5”, “R-6”, “NP-8”, “NP-10”, “NP-15”, “UD”

**Land Use Category:** “Neighborhood Commercial”

**Description of Land Use Category:** Neighborhood Commercial includes lower intensity commercial uses such as small-scale retail or offices, professional services, convenience retail, and shop front retail that serves a market equivalent to a neighborhood. Neighborhood commercial uses should be located at the intersection of residential streets and arterials, and within walking distance of neighborhood residential areas, or along arterials where already established.

**Permitted Zoning Districts:** “NC”, “C-1”, “O-1”

**Land Use Category:** “Community Commercial”

**Description of Land Use Category:** Community Commercial includes office, professional services, and retail uses that are accessible to variety of modes of transportation including bicyclists and pedestrians. This form of development should be located at nodes on arterials at major intersections or where an existing commercial area has been established. Parking areas should be located behind the building with the exception of one row of parking facing the street. Additionally, all off-street parking and loading areas adjacent to residential uses should include landscape buffers, lighting and signage controls. Examples of Community Commercial uses include cafes, offices, restaurants, beauty parlors, neighborhood groceries or markets, shoe repair shops, pharmacies and medical clinics.

## **RECOMMENDATION:**

Staff Analysis & Recommendation: Staff and Planning Commission (9-0) recommend Approval.

The proposed land use amendment from “Neighborhood Commercial” and “Community Commercial” to “Low-Density Residential” is requested in order to rezone the property from “C-2” Commercial District and “R-6” Residential Single-Family District to “R-4” Residential Single-Family District. The future land use for the majority of the property is “Neighborhood Commercial”, which is not consistent with the base zoning. The proposed Plan Amendment to “Low-Density Residential” will extend the currently developed residential uses to the west and south of the property.

## **ALTERNATIVES:**

1. Recommend Denial of the proposed amendment to the Northwest Community Plan, as presented above.
2. Make an alternate recommendation.

3. Continue to a future date.
