The subject property is not located within a Regional Center or a Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis & Recommendation: Staff and Planning Commission (8-0) recommend Approval.

The subject property fronts a major arterial, Rigsby Avenue, and is along a commercial corridor. The property owner owns the adjacent property to the west that is currently being used for auto sales. The owner intends to expand his current auto full service onto the lot in question. The current "Neighborhood Commercial" land use category does not match the current "C-2" Commercial District. Allowing the change to "Community Commercial" will align the land use with the zoning. It should be noted that if the requested "Community Commercial" is denied the land use will remain unaligned to the zoning district.

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the Eastern Triangle Community Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
