RECOMMENDATION:

Staff Analysis & Recommendation: Staff and Planning Commission (6-0) recommend Approval.

The proposed land use amendment from “Medium Density Residential” to “General Commercial” is requested in order to rezone the property from “C-2 AHOD” Commercial Airport Hazard Overlay District to “C-2 CD AHOD” Commercial Airport Hazard Overlay District with a Conditional Use for Food, Mobile Vending (Base Operations). All of the surrounding properties carry the future land use of “Medium Density Residential”. The location of the property along a primary arterial and the prevalence of other commercial uses along South New Braunfels Avenue make the requested future land use of “General Commercial” appropriate.

Relevant Goals and Principles of the Arena District/Eastside Community Plan:

- 2.1 - Establish a land use pattern that is responsive to the existing context and is founded upon realistic market expectations
- 4.4 Develop mixed uses along New Braunfels to supplement existing commercial core at Commerce and New Braunfels

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the Arena District/Eastside Community Plan, as

presented above.

2. Make an alternate recommendation.
3. Continue to a future date.
