Request

A request for a special exception, as described in Section 35-399.01, to allow a renewal of a one-operator beauty/barber shop within a home.

Executive Summary

The subject property is located at 60 Vaughan Place, approximately 173 feet northeast of Loma Linda Drive. The site is currently developed with an existing single-family residence which includes the one-operator beauty shop within the residence.

The Board of Adjustment first granted approval for this one operator beauty salon in 2016; the current approval expires on May 9th, 2018. Section 35-399.01(i) of the UDC allows the Board to approve the requested special exception for a period not to exceed four years.

The applicant has proposed hours of operation as Monday, Wednesday, Friday and Saturday from 9:00 a.m. - 5:00 p.m. and Tuesday and Thursday from 10:00 a.m. - 7:00 p.m. The proposed hours of operation total 50 hours. The applicant will be the only cosmetologist at the location.

No violations of the requirements of the UDC were observed upon a staff visit to the site, and there have been no code violations reported.

It has been the Board's policy that when considering renewals to a granted special exception application for one operator beauty salons to time limit any approval to four years after an initial two-year period. As such, if approval is contemplated by the Board, it should be for a time limit of four years (48 months). If approved for

four years, the current special exception request would expire May 7th, 2022.
