**RECOMMENDATION:**

Staff Analysis & Recommendation: Staff and Planning Commission (10-0) recommend Approval.

**Sector Plan Criteria for review:**

- The recommended land use pattern identified in the North Sector Land Use Plan inadequately provides appropriate optional sites for the land use change proposed in the amendment.
- The amendment must constitute an overall improvement to the Sector Plan and will not solely benefit a particular landowner or owners at a particular point in time.
- The amendment must uphold the vision for the future of the North Sector Plan

**The amendment will not adversely impact a portion of, or the entire Planning Area by;**

- Significantly altering acceptable existing land use patterns, especially in established neighborhoods.
- Affecting the existing character (i.e. visual, physical, and functional) of the immediate area.
- Creating activities that are not compatible with adjacent neighboring uses, and, particularly, the mission of Camp Bullis Base.
- Significantly alter recreational amenities such as open space, parks, and trails.

The proposed land use amendment from “Rural Estate Tier” to “Suburban Tier” is requested in order to rezone the property from "R-6 HS GC-1 MLOD-1" Residential Single-Family Historic Significant Hill Country Gateway Corridor Camp Bullis Military Lighting Overlay District to "C-2 HS GC-1 MLOD-1 S" Commercial

Historic Significant Hill Country Gateway Corridor Camp Bullis Military Lighting Overlay District with Specific Use Authorization for a Carwash. The requested land use amendment to “Suburban Tier” is supported by the location of the property along Boerne Stage Road, a secondary arterial and its close proximity to Interstate Highway 10. The requested “Suburban Tier” is in agreement with the current use of the property and development pattern of the area. This area is more appropriately designated as “Suburban Tier” rather than its current land use designation of “Rural Estate Tier”.

**ALTERNATIVES:**

1. Recommend Denial of the proposed amendment to the North Sector Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
