This action is consistent with City Code and Ordinances, which require Planning Commission/City Council approval for the sale or disposition of City-owned or controlled real property.

#### **ALTERNATIVES:**

Planning Commission could choose not to approve this request; however, if not approved, this would impede plans to develop and provide housing and parking for the ever growing campus of San Antonio College.

#### **FISCAL IMPACT:**

The fair market value of these Rights of Way is \$567,000.00, which was established by an appraisal performed by Noble and Associates, Inc. on May 30, 2018. With added administrative costs, the City will collect a total of \$567,210.00 for this property. This revenue will be deposited into the General Fund in accordance with FY 2019 Adopted Budget.

#### **RECOMMENDATION:**

Staff recommends approval of this request to close, vacate and abandon improved segments of West Park Avenue and Maverick Street Public Rights of Way, in Council District 1.
