RECOMMENDATION:

Staff Analysis & Recommendation: Staff recommends Denial.

The proposed land use amendment from “Low Density Residential” and “Low Density Mixed Use” to “Community Commercial” is requested in order to rezone the property to “C-2 CD” Commercial District with Conditional Use for Auto & Light Truck Repair. This is inconsistent with the Guadalupe Westside Community Plan’s goal to reduce occurrences of commercial encroachment into residential areas. The proposed Plan Amendment to “Community Commercial” is an incompatible future land use to the surrounding residential areas.

ALTERNATIVES:

1. Recommend Approval of the proposed amendment to the Guadalupe Westside Community Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
