"MLOD-2"

All surrounding properties carry the "MLOD-2" Military Lighting Overlay District, due to their proximity to Lackland. The property is not located within a Regional Center or half a mile of Premium Transit Corridor.

**3. Suitability as Presently Zoned:**

The current "C-1" Light Commercial District is an appropriate zoning for the property and surrounding area.

**4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the West/Southwest Sector Plan.
