## **Property Details**

**Property History:** The subject property was annexed into the City of San Antonio on September 25, 1952, established by Ordinance 18115, and was zoned "B" Residence District. The zoning of the eastern property was changed to "O-1" Office District, established by Ordinance 78556, dated August 26, 1993. The eastern portion of that lot was changed to "B-3NA SUP" Non-Alcoholic Sales Business District with Special Use Permit for food and dairy products processing, packaging and storage, established by Ordinance 83210, dated January 11, 2001. The current "R-4," "C-3NA CD," and "O-2" converted from the previous zoning districts upon adoption of the 2001 Unified Development Code, established by Ordinance 93881, dated May 3, 2001.

**Topography:** The property does not include any abnormal physical features such as slope or inclusion in a flood plain.

## **Overlay and Special District Information:**

"AHOD"

All surrounding properties carry the "AHOD" Airport Hazard Overlay District, due to their proximity to an airport or approach path. The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

## **Transportation**

**Thoroughfare:** Hot Wells Boulevard

**Existing Character:** Secondary Arterial Type B

**Proposed Changes:** None known

**Public Transit:** There is a bus stop within walking distance on Goliad Road along Bus Routes 34 and 232.

**Traffic Impact:** A Traffic Impact Analysis is not required. The traffic generated by the proposed development does not exceed threshold requirements.

**Parking Information:** The request for the vacant lot is for a non-commercial parking lot.

**ISSUE:**

None.

**ALTERNATIVES:**

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation. The “R-4” base zoning district permits single-family dwellings (detached) with a minimum lot size of 4,000 square feet and a minimum lot width of 35 feet, foster family home, public and private schools. The “O-2” base zoning district provides for the establishment of low to high-rise office buildings. Examples of permitted uses include offices, parks, and schools. Other uses listed as “permitted” in the UDC Nonresidential Use Matrix are only allowed as accessory uses to a primary and principal office use. A minimum 65 foot buffer zoned NC, C-1 or O-1 shall be provided when abutting residential uses or zoning. Outdoor display or sale of merchandise is prohibited.

**FISCAL IMPACT:**

None.

**PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The subject property is located within the Brooks Regional Center.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (8-0) recommend Approval, pending Plan Amendment.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the Highland Hills Land Use Plan and is currently designated as “Low Density Residential” in the land use component of the plan. The requested “R-4” base zoning district is consistent with the adopted land use designation. The requested “C-2” base zoning district is not consistent with the adopted land use designation. The applicant is requesting a Plan Amendment in order to align the zoning with the plan. Staff recommends Approval. The case was postponed by the applicant for the Planning Commission meeting of October 24, 2018 because they increased the area to be considered. The land use amendment is scheduled for the Planning Commission meeting of November 14, 2018.

**2. Adverse Impacts on Neighboring Lands:**

Staff has not found evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.

**3. Suitability as Presently Zoned:**

The existing “R-4” base zoning district is appropriate for the surrounding area. The existing “O-2” base zoning district is not appropriate for the surrounding area.

**4. Health, Safety and Welfare:**

Staff has not found any indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The 0.379 acre site is of sufficient size to accommodate the proposed development. The building is existing and the vacant lot will accommodate for parking.

**7. Other Factors:**

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.
