BACKGROUND INFORMATION:

Project Background

On May 6, 2017, voters approved the 2017-2022 Bond Program which authorized \$1,000,000.00 for park improvements to Lincoln Park located in Council District 2. In support of the Tricentennial celebration in 2017, Mr. Charles C. Butt donated \$1,000,000.00 which funded the installation of a new splash pad adjacent to the existing park pool. The splash pad and associated work was completed by summer of June 2018 in time to enjoy the park pool and Tricentennial celebration activities.

The authorized amount of \$1,000,000.00 from 2017 Bond Funds will provide for the base bid installation of a pre-engineered metal pavilion, a fabric canopy over a new playground, lighting along the trail to E. Crockett Street, shade canopies at the splash pad and the removal of an existing berm east of the Claude Black Community Center within Lincoln Park.

The four alternates will provide for a fabric cover over the existing basketball court, lighting, fabric canopies

over two baseball field bleachers and the removal of the existing playground and wood pavilion. The canopies will provide protection from elements and electrical lighting for extended day play and security.

Project construction is anticipated to begin April 2019 and estimated to be completed by November 2019.
