RECOMMENDATION:

Staff Analysis & Recommendation: Staff and Planning Commission (8-0) recommend Approval.

The proposed land use amendment from “Community Commercial” to “Mixed Use” is requested in order to rezone the property to ""IDZ MLOD-2 MLR-2 AHOD" Infill Development Zone Lackland Military Lighting Overlay Military Lighting Region 2 Airport Hazard Overlay District with Multi-family uses not to exceed 200 units. This is consistent with the Guadalupe Westside Community Plan’s goal to consider mixed use developments which promote compatibility through design guidelines and encourage pedestrian activity on the street. The proposed plan amendment also encourages and facilitates the development of quality, diverse housing that is compatible with the character of the neighborhood.

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the Guadalupe Westside Community Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
