The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

Transportation

Local: N Graytown Road

Existing Character: Local Street

Proposed Changes: None Known

Local: Boenig Drive

Existing Character: Local Street

Proposed Changes: None Known

Public Transit: There are no VIA bus routes within walking distance of the property.

Traffic Impact: A Traffic Impact Analysis (TIA) report may be required.

Parking Information:

The minimum parking required is 1 parking spaces per residential unit, with no maximum.

ISSUE:

None.

ALTERNATIVES:

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation of “NP-10” which permits existing platted subdivisions which are substantially developed with single-family detached dwelling units (10,000 sq. ft. minimum lot size).

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The property is not located within a half a mile of a Regional Center or Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval. Zoning Commission recommendation pending the February 19, 2019 hearing.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

The property is located within the I-10 East Corridor Neighborhood Community Perimeter Plan. The current land use is “Low Density Residential” and is consistent with the requested “R-4” base zoning.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

3. Suitability as Presently Zoned:

The property is currently zoned “NP-10” which is a suitable zoning for the property and surrounding area.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective.

- Low Density Residential should be located away from major arterials, and can include certain non-residential uses such as schools, places of worship, and parks that are centrally located for convenient neighborhood access.
- IH-10 East Corridor Overlay - promote attractive and cohesive developments along the IH 10 East Corridor in a manner that protects the City’s cultural, natural, and economic fabric.

6. Size of Tract:

The property is 66.47 acres, which could accommodate the proposed residential development.

7. Other Factors:

The subject property is located within the Randolph AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.
