Thoroughfare: Ames Avenue

Existing Character: Local

Proposed Changes: None Known

Public Transit: VIA bus route are within walking distance of the subject property

Routs Served: 51, 251, 521

ISSUE:

Comprehensive Plan

Comprehensive Plan Component: Nogalitos/South Zarzamora Community Plan

Plan Adoption Date: September 30, 2004

Plan Update History: June 18, 2009

Plan Goals:

- Improve the quality, appearance, and variety of existing and new housing for people of all ages while preserving the character of the neighborhoods.
- Provide a variety of housing types that sustain all ages and economic groups.
- Protect and preserve the character of the neighborhoods and commercial corridors while improving their physical appearance.
- Attract and support a variety of businesses in a walkable, mixed-use environment.

Comprehensive Land Use Categories

Land Use Category: “Neighborhood Commercial”

Description of Land Use Category:

Neighborhood Commercial provides small areas for offices, professional services, service and shop-front retail uses that can be served by pedestrian access and are generally less than 5000 square feet. These include less intense commercial uses with low-impact convenience, retail, or service functions. No drive-through establishments are permitted. Residential uses can be in the same building with retail and office uses. This includes live/work units, small apartment buildings, residential units above retail, and townhouses. Examples of uses include small insurance or doctor’s offices, bakery, small restaurant, convenience store without gas pumps, copy service, veterinary office, bank without drive-through, gift shops, social services, and cafes.

Community green areas with benches, trees and landscaping; small plazas; and public gathering spaces are encouraged as part of the neighborhood commercial area.

Parking is encouraged in the rear of the buildings and should be appropriately buffered from adjacent residential uses through landscaping screening and lighting controls. Buildings should have a predominant percentage of windows across the ground level façades. Service yards are screened from view at the rear of the site.

Locations for Neighborhood Commercial uses include arterials and the intersection of two collectors.

Related Zoning Districts: NC, C-1 & O-1

Land Use Category: “Medium Density Residential”

Description of Land Use Category:

Medium-density residential uses include the uses in the Low-Density Residential category as well as duplexes, triplexes, fourplexes, townhomes, row houses and zero lot line configurations. All off-street parking and vehicle use areas adjacent to residential uses require buffer landscaping, and lighting and signage controls. Certain nonresidential activities such as schools, places of worship, and parks are appropriate within these areas and should be centrally located to provide easy access.

This form of development should be located along residential roads or collector streets and can serve as a buffer between Low-density residential and more intense land uses such as commercial structures.

Related Zoning Districts: R-6, R-5, R-4, RM-6, RM-5, RM-4

Land Use Category: “Mixed Use”

Description of Land Use Category:

Mixed-use allows for a concentrated, well structured, and integrated blend of residential, retail, service, office, entertainment, leisure, and other related uses at increased densities. This use pattern creates a pedestrian and transit oriented rather than an automobile oriented environment.

Building and architectural design of a Mixed-use development should stress quality architecture and urban design features, including parks/plazas and landscaping in a safe, attractive, pedestrian and bicycle friendly environment. A majority of the ground floor façade should be composed of windows. Centralized parking areas should be located behind buildings. Mixed Use Centers should be linked to adjoining land uses with safe, attractive and convenient vehicular and pedestrian access.

Mixed-use development is preferred along arterials in a nodal pattern around a transit stop, where density would decrease towards the edge of the node.

Land Use Overview

Subject Property

Future Land Use Classification:

“Neighborhood Commercial” and “Medium Density Residential”

Current Land Use Classification:

Duplexes and Vacant

Direction: North

Future Land Use Classification:

“Neighborhood Commercial” and “Medium Density Residential”

Current Land Use Classification:

Residential Dwellings and Restaurant

Direction: East

Future Land Use Classification:

“Mixed Use”, “Neighborhood Commercial”, and “Low Density Residential”

Current Land Use Classification:

Motor Vehicle Sales, Restaurant, and Auto & Light Truck Repair

Direction: South

Future Land Use Classification:

“Mixed Use”

Current Land Use Classification:

Motor Vehicles Sales, Animal Feed Store and Vacant Lot

Direction: West

Future Land Use Classification:

“Medium Density Residential”

Current Land Use:

Residential Dwellings

FISCAL IMPACT:

None.

Proximity to Regional Center/Premium Transit Corridor

The subject property is located half a mile of a Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis & Recommendation: Staff recommends Approval.

The proposed land use amendment from “Neighborhood Commercial” and “Medium Density Residential” to “Mixed Use” is requested in order to rezone the property to "IDZ-3 MLOD-2 MLR-1 AHOD" High Intensity Infill Development Zone Lackland Military Lighting Overlay Military Lighting Region 1 Airport Hazard Overlay District with uses permitted in "MF-65, "C-2", Motor Vehicle Sales and a Duplex. This is consistent with the Nogalitos/South Zarzamora Community Plan’s goal to provide a variety of housing types that sustain all ages and economic groups. The request also attracts and supports a variety of businesses in a walkable, mixed-use environment.

This zoning request includes the intention to demolish buildings. In accordance with the San Antonio City Unified Development Code, the Office of Historic Preservation reviews all demolition applications for any property located within the city limits of San Antonio. Approval of a zoning change does not imply approval of or take the place of such demolition review as directed by the UDC. To date, no application for demolition at this address to accommodate the proposed use has been submitted for review to the Office of Historic Preservation.

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the Nogalitos/South Zarzamora Community Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.

ZONING COMMISSION SUPPLEMENTAL INFORMATION: Z-2019-10700027
