Housing Opportunities for Persons w/ AIDS	1,814,626

Emergency Solutions Grant	1,081,148
Total	\$23,652,383

**Includes Entitlement and Estimated Program Income*

The City took a strategic approach in developing the proposed FY 2020 Action Plan and Budget to identify activities that further Priority 1 (Provide Decent Safe Affordable Housing) of the Five Year Consolidated Plan and are in line with the Mayor's Housing Policy Taskforce Framework. The proposed plan includes a total of \$17.3 million in federal funding set aside for affordable housing and supportive services activities. The administrative budget across the four grants, which is not included below, is \$3,399,872 and provides for efficient grant administration while ensuring resources remain available to manage the performance of community development programs. This administrative budget funds 49 positions at Neighborhood and Housing Services Department, City Attorney's Office, Department of Human Services and Development Services Department.

The following are staff recommended program allocations for FY 2020:

Community Development Block Grant

Housing Delivery (Citywide) \$551,990

CDBG funds will be utilized to support the delivery of the City's Green and Healthy Homes Initiative and the ownership occupied rehabilitation/reconstruction program.

Fair Housing Activities (Citywide) \$350,000

The City's Fair Housing Program will continue to advocate for and promote equal treatment of all residents of the community under the Federal Fair Housing Act. The City will promote activities on asset retention by addressing unique problems of predatory lending practices by unscrupulous lenders. The program will provide information and education, especially to the disabled and elderly community, through outreach presentations and classes. The program will also continue to assist in natural disaster situations by providing housing placement referrals for displaced families in an effort to avoid housing discrimination. On an individual level, Fair Housing staff will provide predatory lending counseling.

Green and Healthy Homes Grant Match (Citywide) \$160,000

CDBG funds will be used as a match for the Lead Hazard Reduction Demonstration (LHRD) grant funds to assist low to moderate income families address health and environmental safety issues across San Antonio.

Support Affordable Housing Development - Rental Housing (Citywide) \$3,250,000

In an effort to create and preserve affordable housing, the City will utilize CDBG funds to support affordable housing development through acquisition, rehabilitation, clearance, site improvements and neighborhood infrastructure. This funding will supplement rental housing development through the HOME Program.

Support Affordable Housing Development - Homeownership Housing (Citywide) \$1,750,000

In an effort to create and preserve affordable housing, the City will utilize CDBG funds to support affordable housing development through acquisition, rehabilitation, clearance, site improvements and neighborhood infrastructure. This funding will supplement homeownership housing development through the HOME Program.

Single-Family Rehabilitation & Reconstruction (Citywide) \$3,032,000

In an effort to preserve our inner city neighborhoods, the City will utilize CDBG funds to assist low to moderate income homeowners that are in need of rehabilitating or reconstructing homes. Funds available may assist with all aspects of rehabilitation and construction including weatherization, lead based paint abatement,

and clearance activities.

Minor Repair Activities (Citywide) \$275,000

In an effort to preserve our inner city neighborhoods, the City will utilize CDBG funds to assist low to moderate income homeowners with minor home repairs. Funds available may assist with all aspects of rehabilitation, lead based paint abatement, and clearance activities. These programs will be administered either through the Neighborhood and Housing Services Department or a qualified CDBG sub-recipient.

Code Enforcement Activities (Citywide) \$187,749

CDBG funds will be used to support three (3) Code Enforcement positions that provide proactive code enforcement in CDBG-eligible census tracts. The City is allocating additional local resources in support of revitalization efforts, including other code enforcement costs that are not CDBG eligible. This budget does not provide for the cost of correcting code violations.
