#### **ALTERNATIVES:**

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation of “C-3NA” General Commercial Nonalcoholic District.

**Current:** “C-3NA” General Commercial districts are designed to provide for more intensive commercial uses than those located within the "NC," "C-1," "C-2" or "C-3" zoning districts. "C-3" uses are typically characterized as community and regional shopping centers, power centers and/or assembly of similar uses into a single complex under either single ownership or the structure of a property owners or condominium styled organization. "C-3" districts should incorporate shared internal circulation and limited curb cuts to arterial streets. District regulations within the "C-3NA" districts are the same as in "C-3" districts except that no sales of alcoholic beverages for on-premises or off-premises consumption shall be permitted.

**Proposed:** The “C-3” General Commercial districts are designed to provide for more intensive commercial uses than those located within the "NC," "C-1," "C-2" or "C-3" zoning districts. "C-3" uses are typically characterized as community and regional shopping centers, power centers and/or assembly of similar uses into a single complex under either single ownership or the structure of a property owners or condominium styled organization. "C-3" districts should incorporate shared internal circulation and limited curb cuts to arterial streets.

#### **FISCAL IMPACT:**

None.

#### **PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The property is part of the Medical Center Regional Center and is within a premium transit corridor.

#### **RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval, pending Plan Amendment.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

##### **1. Consistency:**

The subject property is located within the North Sector Plan and is currently designated as “Mixed Use Center” in the future land use component of the plan. The requested “C-3” base zoning district is not consistent with the requested future land use designation. The applicant is requesting a Plan Amendment to change the future land use to “Regional Center.” Staff recommends Approval. The Planning Commission recommendation is pending the September 25, 2019 hearing.

##### **2. Adverse Impacts on Neighboring Lands:**

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The base zoning of “C-3” will remain the same.

##### **3. Suitability as Presently Zoned:**

The current “C-3NA” zoning is appropriate for the property and surrounding area. The proposed “C-3” General Commercial use maintains the base zoning and is an appropriate zoning for this property as it is directly adjacent to other “C-3” zoned properties. The rezoning request removes the “NA” Nonalcoholic Sales designation.

##### **4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the North Sector Plan:

- ED-1.3 Continue to maintain and revitalize the North Sector to retain and expand vibrant retail and commercial uses within the IH-10, IH-35, Loop 410 and Loop 1604 corridors and/or centers.
- LU-1.5 Promote flexibility and innovation in residential, business and recreational land uses through planned unit developments, conservation subdivisions, specific plans, mixed use projects, and other innovative development and land use planning techniques.
- LU-3.3 Promote job growth in the Specialized, Regional, and Mixed Use Centers to achieve the City's diversified business targets through land use guidance and economic incentives.

**6. Size of Tract:**

The subject property is 6.215 acres, which could reasonably accommodate a movie theater.

**7. Other Factors:**

None.
