RECOMMENDATION:

Staff Analysis & Recommendation: Staff and Planning Commission (5-2) recommend Denial.

The proposed land use amendment from “Low Density Residential” to “Neighborhood Commercial” is requested in order to rezone the property to “C-1 CD” with Conditional Use for Motor Vehicle Sales (Full Service). This is not consistent with the Guadalupe/Westside Community Plan’s objective to encourage and facilitate the development of quality, diverse housing that is compatible with the character of the neighborhood and to have neighborhood commercial located at intersection of residential streets and/or collectors, within walking distance of neighborhood residential areas, and preferably incorporates a yard or landscaping buffer to residential uses. The proposed Plan Amendment to “Neighborhood Commercial” is not suitable mid-block, nor in a predominantly “Low Density Residential” area.

ALTERNATIVES:

1. Recommend approval of the proposed amendment to the Guadalupe Westside Community Plan, as presented above.
2. Make an alternate recommendation.

3. Continue to a future date.
