COUNCIL DISTRICTS IMPACTED: District 3

SUBJECT:

Resolution to initiate landmark designation for 4007 S Flores

SUMMARY:

This resolution requests direction from City Council to move forward with historic landmark designation for the property at 4007 S Flores. On November 6, 2019, the Historic and Design Review Commission (HDRC) agreed with the finding of historic significance and supported the designation of the property as a local landmark.

BACKGROUND INFORMATION:

Staff completed an historic assessment of the building at 4007 S Flores, located in City Council District 3, and determined it is eligible for local historic landmark designation. On September 4, 2019, the applicant was notified that the structure was eligible for local landmark designation. The request for a finding of historic significance was heard by the HDRC on November 6, 2019.

4007 S Flores is a two-story, Spanish Eclectic, two-part commercial block built in 1926 and c. 1941 for A. C. Toudouze. It is located in City Council District 3. High Cay LLC is the current owner. The structure meets criteria 3, 5, 7, and 11, meeting the eligibility requirements for local landmark designation outlined in the UDC.

On November 6, 2019, the HDRC agreed with the finding of historic significance, recommended approval, and requested a resolution from the City Council to initiate the designation process. The property owner does not support designation.

ISSUE:

4007 S Flores meets the criteria and is eligible for landmark designation. If Council approves a resolution to proceed with landmark designation, OHP would apply for a change in zoning to include a historic landmark overlay for the properties. The change in zoning requires approval from the Historic and Design Review Commission, Zoning Commission, and City Council. If approved by Council, the property would become a local historic landmark. Rehabilitation work would qualify for local tax incentives, and all future proposals for the property would require HDRC review.

ALTERNATIVES:

Landmark designation would help protect and preserve this structure. If Council does not approve a resolution to proceed with landmark designation, the designation process would come to an end and the HDRC's recommendation would not be required for any demolition requests. New construction on the property would not require review by the HDRC.

FISCAL IMPACT:

The Office of Historic Preservation requests a waiver of the required zoning fees in an amount of \$1,876.20 that would otherwise be paid to the City's Development Services Fund. Should council not approve the resolution, this amount would be paid to the Development Services Fund by the Office of Historic Preservation General Fund FY 2020 Adopted Budget.

RECOMMENDATION:

The property is eligible for historic designation. The HDRC recommends that City Council initiate the historic designation process.
