The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

"MLOD-2"

All surrounding properties carry the "MLOD-1" Military Lighting Overlay District, due to their proximity to Lackland Air Force Base. The "MLOD-1" does not restrict permitted uses, but does regulate outdoor lighting in an effort to minimize night-time light pollution and its effects on operations at the military installation.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the Guadalupe Westside Community Plan and is currently designated as “Low-Density Mixed Use” in the future land use component of the plan. The requested “R-1” base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current “R-4” Single-Family District is not an appropriate zoning for the property and surrounding area as the property is undevelopable as it is well below minimum lot size for “R-4” district. The proposed “R-1” Residential Single-Family District would allow this lot to be developed as it is 1,875 square feet in size.

**4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles and objectives of the Guadalupe Westside Community Plan:

20.1.1 Encourage and facilitate the development of quality, diverse housing that is compatible with the

character of the neighborhood.

- Ensure that new housing stock meets the needs of a mix of income levels.

20.1.2 Promote the development of a variety of housing sizes and prices including retirement housing, assisted living, quality affordable single-family houses, small apartment complexes (6 to 20 units), and housing in mixed-use buildings.

· Identify and inventory potential vacant or underutilized sites available for development.

#### **6. Size of Tract:**

The subject property is 0.0430 acres, which could reasonably accommodate a single-family use.

#### **7. Other Factors:**

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.

The applicant intends to develop a small single-family home.
