A zoning review is performed by the Zoning Section of the Development Services Department.

"AHOD"

All surrounding properties carry the "AHOD" Airport Hazard Overlay District, due to their proximity to an airport or approach path. #### **ALTERNATIVES:**

**Current:** The current zoning district designation of “I-1” General Industrial District provides areas of heavy and concentrated fabrication, manufacturing and industrial uses which are suitable based upon adjacent land uses, access to transportation and the availability of public services and facilities. It is the intent of this district to provide an environment for industries that is unencumbered by nearby residential or commercial development. "I-1" must be located in areas where conflicts with other uses can be minimized to promote orderly transitions and buffers between uses. These districts are located for convenient access for existing and future arterial thoroughfares and railway lines.

**Proposed:** The present zoning district designation of “C-3” General Commercial District provides more intensive commercial uses than those located within the "NC," "C-1," "C-2" or "C-3" zoning districts. "C-3" uses are typically characterized as community and regional shopping centers, power centers and/or assembly of similar uses into a single complex under either single ownership or the structure of a property owners or condominium styled organization. "C-3" districts should incorporate shared internal circulation and limited curb cuts to arterial streets.

#### **FISCAL IMPACT:**

#### **PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The subject property is within the NE I-35 and Loop 410 Regional Center and is not located within the Premium Transit Corridor.

#### **RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (9-0) recommend Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

The subject property is not located within any Community, Neighborhood, or Sector Plan therefore a finding of consistency is not required.

##### **2. Adverse Impacts on Neighboring Lands:**

##### **3. Suitability as Presently Zoned:**

The current “I-1” General Industrial District is an appropriate zoning for the property and surrounding area. The proposed “C-3” General Commercial is a down zoning and is also appropriate along North IH 35.

**4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The subject property is not located within any Community, Neighborhood, or Sector Plan therefore a finding of consistency is not required.

**6. Size of Tract:**

The subject property is 3.6030 acres, which could reasonably accommodate Commercial Uses.

**7. Other Factors:**

The subject property is located within the Randolph AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.

The applicant seeks a rezoning to “C-3” for a Hospital.
