Overlay and Special District Information:

"HS"

The "HS" Historic Significant landmark designation, signifies the historic architectural character or cultural significance of the structure or location. Historic Landmark designations do not affect the possible uses of the property, but do regulate the exterior aesthetic of the structure. Building plans and permit applications will be subject to review by the Office of Historic Preservation and the Historic and Design Review Commission (HDRC) prior to any permits being issued.

"MLOD-2"

All surrounding properties carry the "MLOD-2" Military Lighting Overlay District, due to their proximity to Lackland. The "MLOD-2" does not restrict permitted uses, but does regulate outdoor lighting in an effort to minimize night-time light pollution and its effects on operations at the military installation.

"AHOD"

All surrounding properties carry the "AHOD" Airport Hazard Overlay District, due to their proximity to an airport or approach path. The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. No outdoor storage or display of goods shall be permitted except for outdoor dining.

Proposed: The proposed "C-2" Commercial district would remain the same. The rezoning would remove the Historic Significant Overlay.

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The property is not part of a Regional Center and is not within a premium transit corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is not located within any Community, Neighborhood, or Sector Plan therefore a finding of consistency is not required.

2. Adverse Impacts on Neighboring Lands:

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The historic designation will remain on 0.245 acres.

3. Suitability as Presently Zoned:

The "C-2 HS" Commercial Historical Significant District is an appropriate zoning for the property. The base "C

-2" Commercial District remains the same. The rezoning proposes to remove the Historic Overlay.

4. Health, Safety and Welfare:

Staff has found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The rezoning request is not within a neighborhood or community plan.

6. Size of Tract:

The subject property is 0.5907 acres, which could reasonably accommodate the current use as a Law Office.

7. Other Factors:

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there is no objection to the request.

The applicant is requesting to remove the "HS" from a portion of the current "C-2 HS", allowing the applicant to have a pole sign.

The original request was to remove the historic designation from the entire property. The Historic Design and Review Commission denied the applicant's original request.

The applicant has since worked with the Office of Historic Preservation to maintain the historic designation on a significant portion of the property totaling 0.245 acres. The applicant is now requesting to rezone only the 0.5907 acres surrounding the historic site. OHP has reviewed the revised the request and agrees that this retains the overlay which is consistent with the HDRC recommendation.

As this case was continued to the March 17, 2020 Zoning Commission hearing, which was cancelled as a result of the emergency orders, staff republished and renoticed this case with the revised request.
