Comprehensive Plan

Comprehensive Plan Component: San Antonio International Vicinity Land Use Plan

Plan Adoption Date: May 2010

Plan Goals:

Objective 2.1: Upgrade and enhance airfront commercial and business park property that is declined, is currently vacant, or is underutilized

Objective 2.3: Redevelop major commercial corridors to serve the needs of the airport neighborhoods and patrons

Objective 3.3: Continue development of Wurzbach Parkway as a major east-west connector

Comprehensive Land Use Categories

Land Use Category: “Parks Open Space”

Description of Land Use Category: Public and private lands available for active use or passive enjoyment. May include city parks as well as private parks associated with homeowner associations. Examples are city parks, private parks, playgrounds, athletic fields trails, greenbelts, plazas, courtyards.

Permitted Zoning Districts: RP, G

Land Use Category: “Business Park”

Description of Land Use Category: Medium to large sized buildings in a low rise format that house professional, administrative, light manufacturing, flex space and warehousing functions for private corporations. Should take the form of a cohesive, campus like environment where buildings are interspersed with open space areas and pedestrian walkways. Uses should be separated from residential areas with landscaped buffers and should feature monument signage and lighting that is oriented away from adjacent sites. No residential uses are allowed.

Permitted Zoning Districts: BP, C-2, C-3, O-1, O-1.5

Land Use Category: “Light Industrial”

Description of Land Use Category: A mix of light manufacturing uses and limited ancillary retail and supplier uses that service the industrial ones. Should include proper screening and buffering, and be compatible with adjoining uses. Outside storage is not permitted (must be under roof and screened). Examples of light industrial uses include sporting goods manufacturing, machine shops, clothing manufacturers, sign manufacturers, auto paint and body shops, building contractor’s suppliers and warehousing

Permitted Zoning Districts: L, BP, C-3, O-1, O-1.5

RECOMMENDATION:

Staff Analysis & Recommendation: Staff and Planning Commission (8-0) recommend Approval.

The applicant seeks a Plan Amendment from “Business Park” and “Parks/Open Space” to “Light Industrial.” The proposed “Light Industrial” land use designation is fitting for this property, because it lies between numerous industrial and commercial uses. The San Antonio International Vicinity Land Use Plan calls for enhancing airfront commercial and business park property that is currently vacant or underutilized, as well as the continuation of development along Wurzbach Parkway as a major east-west connector.

The proposed Plan Amendment to “Light Industrial” and rezoning to “I-1” Light Industrial allows the existing business to continue its operation as a contractor and affords them operational flexibility which allows the property to be better utilized and potentially employ more workers. This request is appropriate for this property, the surrounding area, the site vehicular access and provides continuity of land use.

On May 5, 2020 the Zoning Commission recommended Approval of the rezoning request to “I-1 S.”

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the San Antonio International Vicinity Land Use Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
