### **BACKGROUND INFORMATION:**

The Finance Department will present the Biannual High Profile Forecasting Report for the second six months of Fiscal Year 2021. This report details discretionary contracting initiatives that are considered high profile and anticipated to be released during the second half of FY 2021 (April 2021 - September 2021).

High Profile projects are identified as either consent, individual or select. High profile projects categorized as consent or individual are presented to the Audit & Accountability Committee.

This briefing will highlight select high profile projects which require a pre- and post-solicitation briefing to the full Council at B-Session. Select projects are determined based on the following criteria:
