RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Planning Commission (11-0) recommend Approval.

The applicant is seeking a Plan Amendment to “Low Density Residential,” to rezone to “R-6” Residential Single-Family District to establish consistency with the area.

The proposed “Low Density Residential” is appropriate for the subject property and would adhere to principles of the San Antonio International Airport Vicinity Land Use Plan by being “within walking distance of schools and neighborhood commercial uses.” The proposed land use is also consistent the “Low Density Residential” to the south and west of the subject site.

On April 6, 2021, the Zoning Commission recommended Approval of rezoning to “R-6” Residential Single-Family District.

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the San Antonio International Airport Vicinity Land Use Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
