### **Property Details**

**Property History:** The property was annexed by Ordinance 32614 dated September 24, 1964. The property was rezoned from Temporary "R-1" to "B-3" Business District by Ordinance 42655 dated August 16, 1973. Under the 2001 Unified Development Code, established by Ordinance 93881, dated May 03, 2001, the property zoned "B-3" converted to the current "C-3" General Commercial District.

**Topography:** A portion subject property is located within Edwards Aquifer Recharge Zone and a portion is within the Artesian Zone.

### **Adjacent Base Zoning and Land Uses**

**Direction:** North

**Current Base Zoning:** "C-3"

**Current Land Uses:** Strip Retail

**Direction:** East

**Current Base Zoning:** "R-6"

**Current Land Uses:** Single-Family Dwellings

**Direction:** South

**Current Base Zoning:** "R-5"

**Current Land Uses:** Single-Family Dwellings

**Direction:** West

**Current Base Zoning:** "C-3"

**Current Land Uses:** Strip Retail

### **Overlay and Special District Information:**

"MLOD-1"

All surrounding properties carry the "MLOD-1" Military Lighting Overlay District, due to their proximity to Camp Bullis. The "MLOD-1" does not restrict permitted uses but does regulate outdoor lighting in an effort to minimize night-time light pollution and its effects on operations at the military installation.

"ERZD"

All surrounding properties carry the "ERZD" Edwards Recharge Zone District. The "ERZD" does restrict permitted uses, due to the environmentally sensitive nature of the recharge zone. Per Chapter 34 of the City of San Antonio Code of Ordinances, the San Antonio Water System (SAWS) and City of San Antonio departments share regulatory jurisdiction over development within the "ERZD".

### **Transportation**

**Thoroughfare:** Vance Jackson

**Existing Character:** Principal Arterial

**Proposed Changes:** None Known

**Public Transit:** VIA bus routes are within walking distance of the subject property.

**Routes Served:** 97, 603

**Traffic Impact:** A Traffic Impact Analysis (TIA) cannot be determined at this time.

**Parking Information:** The minimum parking requirement for a Multi-Family Dwelling is 1.5 spaces per unit.

**ISSUE:**

None.

**ALTERNATIVES:**

**Current:** C-3 districts are intended to provide for more intensive commercial uses than those located within the NC, C-1 or C-2 zoning districts. C-3 uses are typically characterized as regional shopping centers, power centers, and/or assembly of similar uses into a single complex. There are no building size limitations, and building height is limited to 35 feet. Examples of permitted uses: bar/tavern & nightclub, amusement/theme parks, dance hall, indoor movie theater, auto repair, auto sales, auto glass sales (installation permitted), auto muffler (sales and installation only), hotel, bookbinder, dry cleaning or laundry plant, indoor flea market, home improvement center, body piercing/massage/tattoo parlor. No outdoor storage is permitted. Outdoor operations and display shall be permitted in areas which are screened as provided in 35-510 of the Unified Development Code.

**Proposed:** MF-33 allows a Multi-family dwelling, single-family dwelling (detached, attached or townhouse), two-family dwelling, three-family dwelling, four-family dwelling, row-house or zero-lot line dwelling, with a maximum density of 33 units per acre, assisted living home, skilled nursing facility, foster family home, public and private schools.

**FISCAL IMPACT:**

None.

**Proximity to Regional Center/Premium Transit Corridor**

The subject property is not within a Regional Transit Center or located within a half mile of a Premium Transit Corridor.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the North Sector Plan and is currently designated as “Regional Center” in the future land use component of the plan. The requested “MF-33” base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff has not found evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern. The uses permitted by “MF-33” mitigate potential impacts currently permitted within the “C-3” General Commercial zoning.

**3. Suitability as Presently Zoned:**

The existing “C-3” General Commercial base zoning is an appropriate zoning district for the surrounding area. The proposed “MF-33” zoning is a more appropriate zoning for the area, as the “MF-33” acts as a buffer

between the large thoroughfare and the existing single-family neighborhoods nearby.

#### **4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare. The recommendations of the San Antonio Water System report assist in mitigating potential environmental impact.

#### **5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the North Sector Plan:

- HOU-1.1 Consider innovative allowances in zoning amendments that promote a variety of housing types in the North Sector and embrace flexible standards, including, but not limited to: zero lot lines, clustering of development, and density bonuses as per the Sector Land Use Plan.
- HOU-2.3 Utilize High Density Residential as a buffer between principal and arterial roadways / non-residential (i.e. office, retail, commercial uses) and lower density residential housing.
- HOU-2.4 Consider the use of High Density Residential along the periphery of concentrated employment areas to foster a compatible land use transition between single family detached/attached residential neighborhoods and concentrated locations of non-residential uses.

#### **6. Size of Tract:**

The subject property is approximately 10.357 acres, which would adequately support the requested residential uses.

#### **7. Other Factors:**

The subject property is located within the Camp Bullis Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there are no objections to this request.

SAWS Recommendation is that impervious cover shall not exceed 65% on the portion of the property in the Edwards Recharge Zone.
