Minimum Parking Requirement: 1.5 per unit;

Maximum Parking Requirement: 2 per unit.

ISSUE:

None.

ALTERNATIVES:

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation.

FISCAL IMPACT:

None.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (9-0) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the Government Hill Neighborhood Plan and is currently designated as Low Density Mixed Use in the future land use component of the Plan. The requested “MF-18” base district is consistent with the future land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the neighborhood.

3. Suitability as Presently Zoned:

The existing “O-1” base zoning district and the proposed “MF-18” base zoning district is appropriate for the subject property.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective.

6. Size of Tract:

The subject property is 0.415 acres in size, which is sufficient to accommodate the proposed development with adequate space for parking.

7. Other Factors:

An “IDZ” Infill Development Zone within the qualified area as per UDC Section 35-343(a) is to facilitate and encourage development on vacant, by passed lands, or the redevelopment of underutilized building or structures, with existing built up area. Any use may be permitted within the “IDZ” so long as it complies with the standards of section 35-343 in chapter 35.
