PROJECT INFORMATION

Project Name: District 6 Fitness 5K

Project Liaison: Mandy Adkins

Date of Event: 08/13/2016

Description of Event/Purpose (Describe in 200-300 words):

San Antonio Sports Fit Family Challenge is a free, annual, 4-month, county-wide family fitness program that began in 2010. The program is implemented over the summer months of May through August. The goal of Fit Family Challenge is to improve the health and wellness of San Antonio families through routine family-friendly physical activity and nutrition education. Our target audience is San Antonio families with children under 18 years of age, focusing on families living in the 10 zip codes originally identified by San Antonio Metro Health as at risk of poor health. Families are asked to exercise the recommended 60 minutes a day, set health and fitness goals, track physical and nutrition activity, make a commitment to eat healthier, and attend Fit Family Challenge events. The program includes a comprehensive evaluation using surveys, observations, and BMI analysis of target families to measure program impact on family health and wellness.

San Antonio Sports, a 501c3, is requesting a City Council Project Funds (CCPF) grant from City Council District 6 for the county-wide family-friendly fitness and nutrition event, District 6 Fitness 5K, that is scheduled to take place at Wolff Stadium on Saturday, August 13, 2016. The event meets the goal of the CCPF as it promotes family health and wellness through the promotion of community recreation. Families will be given the opportunity to participate in a free 5K run, one mile fun walk, nutrition education, a health fair, health screenings, healthy incentives, and recognition for leading a active lifestyle. We expect to have 1,200 participants register for the event. Funds will cover event costs that were needed to implement the District 6 Fitness 5K (see attached budget).

Invoices of how funds will be allocated (I certify that I have attached all invoices related to this request. I understand that any missing invoices will not be covered by funds and purchases need to exclude alcohol, gift/gas cards, livestock, equipment or supplies from city departments and delegate agencies):

San Antonio Sports Services

Kids Programs. Premier Events.

For over 30 years, San Antonio Sports has put our city on the global stage. From NCAA Championships to the Rock 'n' Roll San Antonio Marathon, the premier events San Antonio Sports has hosted have delivered more than \$446 million for our local economy.

But San Antonio Sports is not just about big events. San Antonio Sports is a nonprofit organization that works to transform our community through the power of sport. San Antonio Sports recognizes the link between healthy bodies and healthy minds and works every day to provide sports and fitness programs that inspire children and their families to live active, healthy lives.

San Antonio Sports is in 290 local elementary schools with our Kids Rock Marathon training program and Go!Kids Challenge™. Kids Rock is a non-timed, non-competitive event for children in grades K-7 that takes place in December during marathon weekend. Kids can become marathon finishers on race day by completing a cumulative marathon training program in the weeks leading up to the race. Or, they can simply choose to run the 1-mile course on race day.

Go!Kids Challenge is a free program that encourages kids to be active and make water their primary drink of choice. This program takes place in the spring semester and is offered to children in grades K-5. Schools who register for the program receive activity logs for their students to track their daily physical activity.

San Antonio Sports *i play! afterschool* program ignites a love of sport in third through fifth graders, while teaching them life lessons about active living, good nutrition and strong personal character. During the 2015-2016 school year, *i play! afterschool* served 1,125 children in 45 elementary schools in San Antonio and Harlandale school districts. Students in *i play! afterschool* participate in five, 5-week sports development sessions (track, soccer, volleyball, tennis, and golf). Each sport unit culminates in a fun tournament where the kids can demonstrate their new skills and parents, family, and friends can cheer them on.

The San Antonio Sports Fit Family Challenge expands the kids' fitness efforts to the entire family through a free, 12-week summer family fitness program that encourages families to be active together and live a healthier lifestyle. 2016 marks the seventh year for Fit Family Challenge. San Antonio Sports partners with six schools districts (San Antonio, Harlandale, Northside, Southwest, South San, and Southside) and Baptist Temple Church to host free weekly fitness classes. Along with the seven free fitness classes held weekly, there is a big community event held every three weeks. At each big event participants who have attended the weekly workouts are entered to win a \$1,000 cash prize.

District 6 Fitness 5K

District 6 – Fit Family Challenge Big Event

San Antonio Sports is requesting a City Council Project Funds (CCPF) grant from City Council District 6 to support the county-wide family-friendly 5K event, *District 6 Fitness 5K*, which will take place at Nelson Wolff Stadium on Saturday, August 13, 2016. The *District 6 Fitness 5K* is part of the Fit Family Challenge, a free 12-week summer program.

This free event will give families the opportunity to participate in a free 5K run. The event will also include a veteran's walk, health fair, healthy incentives, and recognition for leading an active and healthy lifestyle. We expect about 1,300 participants to register for the event. The first 1,000 participants to cross the finish line will receive a *District 6 Fitness 5K* medal.

Funds will support program costs that were needed to implement the *District 6 Fitness 5K* event. Specifically the funds requested through the CCPF grant will be used to cover the race management services, medical services on site, participant medals, security, sound system, event stage, and stage banners.

Dear Taxpayer:

This is in response to your July 09, 2010, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in February 1989.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
